An FSA helps you pay for things you already buy

Over-the-counter (OTC) Medications

On average, U.S. households spend \$338/year on OTC products like Tylenol®, Zyrtec®, and cold medicine. With an FSA, you save \$100 each year on those purchases.

Feminine Care Products

The average woman spends \$300/year on feminine care products. With an FSA, you would save \$90 each year.

Personal Protective Equipment (PPE)

Masks, hand sanitizer and sanitizing wipes that are purchased to prevent the spread of COVID-19 are now eligible expenses.

Pay 30% less on medical expenses

Tina typically spends \$1,000 yearly on glasses and contact lenses. But this year she signed up for a Healthcare FSA and was able to purchase them tax-free which saved her \$300
